## Proposed Policy Framework guiding the use of Diversification Leases on Crown land under the *Land Administration Act 1997*

### Overview

Amendments to the *Land Administration Act 1997* (LAA) are currently being drafted. If approved, the LAA will be amended to include a new form of non-exclusive leasehold tenure known as a Diversification Lease. This new lease will allow multiple concurrent land uses without the need for permits, and will allow continued access by other land users.

A draft Policy Framework Guiding the Use of Diversification Leases on Crown land has been produced by the Department for public consultation. You are invited to have your say on the draft Policy Framework.
