RE: 126 Stock Road, HERNE HILL

To whom it may concern;

As the proposed carport is located on a property within the Swan Valley area we understand that a Development Application is required. The wall height of 3.5m is required to house a goose-neck horse float, thereby ensuring the longevity of the equipment as it will not be exposed to the elements when being housed under the proposed carport.

Should you require any further information, please contact the office on 6245 5505, or by email at admin@completeapprovals.net.au

Regards,

A handwritten signature in black ink that reads "KChase". The signature is fluid and cursive, with the first letter 'K' being particularly large and stylized.

Kosoula Chase
